This electronic newsletter is a service to the members of ESERA provided by the ESERA Executive.

Earlier issues of this newsletter can be found on the ESERA Website.

Deadline for messages to be included in the next issue of this newsletter is June 15, 2007.

ESERA Executive Elections 2007

According to the timetable for the ESERA Executive Elections 2007, the nomination procedure will close on July 31, 2007.

For more info about the nomination procedure and timetable for the elections go to this item in the News Section of the ESERA Website.

New PhDs

The following abstracts of recently completed PhDs have been added to the ESERA Website. Congratulations to:

- Sverre Pettersen – [Health claims and scientific knowledge. A study of how students of health sciences, their teachers, and journalists relate to health claims in society](#)
- Agnieszka Kamińska-Ostęp – [The influence of didactic innovations on the effectiveness of chemical education](#)
- Francesca Bradamante – [Field lines: hinge for the understanding of field concept](#)

Get direct access to these abstracts by clicking on the title

ESERA Conference 2007

The dates for the ESERA Conference 2007 in Malmö, Sweden are August 21-25.

Please note the information on the conference website about the timetable for resubmitting accepted synopses (deadline: May 1), for advanced and late registration (deadlines: May 15 and August 1, respectively) and for submitting a full paper that will be included on a CD available at the start of the conference (deadline: June 15).

If you want your name on the list of participants and your abstract published in the conference book, full payment must have been received by the conference organisers no later than May 15.

For direct access to the conference website go to:
www.mna.hkr.se

Bibliography STCSE

A new version of the Bibliography STCSE (Students' and Teachers' Conceptions and Science Education) is available. For downloading the document go to this item in the News Section of the ESERA Website.

ESERA Membership

The ESERA Membership list has been added to the Membership Section of the ESERA Website. On this list members can see when their membership ends and whether their application for new membership or membership renewal has been processed. The list will be updated bimonthly at the time of mailing the ESERA E-Newsletter.

Financial relationship ESERA-LOC

For those interested in organising a future ESERA Conference or Summer School: a document outlining the financial relationship between ESERA and a LOC (Local Organising Committee) has been published in the About ESERA Section of the ESERA Website.
