- 2005 ESERA Conference Proceedings
- ESERA Summer School 2008
- ESERA Travel Awards
- New PhDs
- Special offer for ESERA members: International Journal of Science Education
- Job advertisements
- Handbook of Research on Science Education
- Conference of Asian Science Education
- European Conference on Research in Chemical Education

This electronic newsletter is a service to the members of ESERA provided by the ESERA Executive.

Earlier issues of this newsletter can be found on the ESERA Website.

Deadline for messages to be included in the next issue of this newsletter is December 15, 2007.

2005 ESERA Conference Proceedings

The ESERA 2005 Selected Conference Contributions book *Contributions from Science Education Research* is available from Springer Science Business Media BV. The book contains 37 edited papers including the most outstanding contributions to the ESERA Conference held in Barcelona in 2005.

Members of ESERA, participants of the ESERA Conference in 2005 and/or 2007 can obtain the book at a reduced price.

For more info go to the News Section of the ESERA Website

ESERA Summer School 2008

The ESERA Summer School 2008 will be in York, UK. Dates: August 24-29, 2008. The call for applications is posted on the ESERA Website. Deadline for submission of applications: January 31, 2008.

For more info go to the News Section of the ESERA Website

ESERA Travel Awards

ESERA is offering four travel awards of up to € 500 each to doctoral students and post-doctoral researchers. The awards are designed to enable people to visit science education researchers in other, European, countries and can be used to pay for travel, accommodation and subsistence. The awards are competitive and applications will be judged by a panel of ESERA Executive members.

New PhDs

The following abstract of a recently completed PhD's has been added to the ESERA Website. Congratulations to:

- Mattias Lundin – [Students' participation in the realization of school science activities](#)

Get direct access to this abstract by clicking on the title

Special offer for ESERA members: International Journal of Science Education

Routledge | Taylor & Francis Group is delighted to offer ESERA members a special personal subscription rate of just US\$ 98 | £ 60 | € 78 to the *International Journal of Science Education*. For more information on this journal, including an online sample copy, please click [here](#).

To subscribe at this special rate click [here](#) and complete the online form.

For a full list of Routledge's education journals go to <http://www.informaworld.com>

Job advertisements

- King's College London is seeking a Lecturer/Senior Lecturer/Reader in Science Education. Closing date for applications is December 21, 2007.

Remark – Sometimes job advertisements appear in the News Section of the ESERA Website just after E-News has been distributed, so the deadline for applications will have passed before the next issue. So, if you are looking for a (new) job, please check the News Section of the ESERA Website regularly.

Handbook of Research on Science Education

Editors: Sandra K. Abell, University of Missouri/Columbia & Norman G. Lederman, Illinois Institute of Technology.

This state-of-the art research handbook provides a comprehensive, coherent, current synthesis of the empirical and theoretical research concerning teaching and learning in science and lays down a foundation upon which future research can be built.

Conference of Asian Science Education

Theme: Science Education from an Asian Perspective. Venue: Kaohsiung, Taiwan. Dates: February 20-23, 2008. Deadline for submission of abstracts: November 17, 2007.

European Conference on Research in Chemical Education

Theme: Chemistry Education in the New Millennium. Venue: Istanbul, Turkey. Dates: July 6-9, 2008. Deadline for submission of abstracts: May 15, 2008.
