- 8th International Conference for the History of Science in Science Education
- 1st Latin American Conference of the International History, Philosophy, and Science Teaching Group

This electronic newsletter is a service to the members of ESERA provided by the ESERA Executive.

Earlier issues of this newsletter can be found on the ESERA Website.

The deadline for messages to be included in the next issue of this newsletter is January 15, 2010.

ESERA Summer School 2010

Marisa Michelini and Lorenzo Santi (University of Udine) and Rosa Maria Sperandeo (University of Palermo) invite applications from students and staff who wish to attend the next ESERA Summer School, which will be held in Udine, Italy. Dates: July 25-31, 2010. Application forms and Notes on applying can be downloaded from the ESERA Website. Deadline for applications: January 31, 2010.

New PhDs

The following abstract of a recently completed PhD has been added to the ESERA Website. Congratulations to:

- Zeynab Badreddine – [Study of Teachers' Chronogenetic Decisions in Physics Teaching at Lower Secondary School; a Case Study in Lebanon](#)

ESERA Travel Awards 2010

ESERA is offering travel awards of up to €500 each to doctoral students and post-doctoral researchers. The awards are designed to enable ESERA members to visit science education researchers in other, European countries and can be used to pay for travel, accommodation and subsistence. The awards are competitive and applications will be judged by a panel of ESERA Executive members.

Expressions of interest should be sent to Justin Dillon:
justin.dillon@kcl.ac.uk. Deadline for submissions: January 15, 2010.

Job advertisements

- Associate professor / lecturer in Chemistry Education, Department of Chemistry, University of Bergen, Norway.

Europe Rethinks Education

The *Science* editorial (Vol. 326, October 23, 2009) written by Pierre Léna refers to the *Science Education in Europe* report.

For more info and application forms for students and staff go to the News Section of the ESERA Website

International Journal of Gender Science and Technology

The *International Journal of Gender Science and Technology* is an important new publication which brings together research, case studies and perspectives from academics, practitioners and policy makers in this area. It's available online free of charge.

9th International Conference of the Learning Sciences

Theme: Learning in the Disciplines. Venue: Chicago, USA. Dates: June 29 - July 2, 2010. Pre-conference workshops: June 28-29, 2010. Deadline for submission of pre-conference workshop proposals: December 15, 2009.

9th International Conference on Computer Based Learning in Science

Theme: Modelling and Simulation in Inquiry-Oriented Learning Environments. Venue: Warsaw, Poland. Dates: July 4-7, 2010. Deadline for submission of abstracts: December 18, 2009.

Effective Practical Science Seminar

Getting Practical and SCORE along with the International Committee at the ASE are hosting a seminar on *Effective Practical Science* with an international flavour. We invite you to share your interest and enthusiasm for practical science in education during an interesting and informative afternoon of discussion as part of the ASE Annual Conference. Venue: Nottingham, UK. Date: January 6, 2010 (2pm – 4:30pm).

Conference on Environment and Health in Science Education

Venue: Zürich, Switzerland. Dates: August 18-21, 2010.

21st International Conference on Chemical Education

Theme: Chemistry Education and Sustainability in the Global Age. Venue: Taipei, Taiwan. Dates: August 8-13, 2010.

Conference on University Teaching of Chemistry

Venue: Santa Fe, Argentina. Dates: June 9-11, 2010.

International Conference of Scientific Communication

Theme: Mass Media and Education. Venue: Ploiesti, Romania. Dates: March 5-6, 2010.

IOSTE XIV Symposium

Due to many requests the deadline for proposals has been extended to December 20.

8th International Conference for the History of Science in Science Education (ICHSE)

Theme: Learning Science and about Science through History. Venue: Maresias (near Sao Paulo), Brazil. Dates: August 16-19, 2010.

1st Latin American Conference of the International History, Philosophy, and Science Teaching Group (IHPST-LA)

Theme: The Use of History and Philosophy of Science in Science Teaching. Venue: Maresias (near Sao Paulo), Brazil. Dates: August 19-21, 2010.
