- HSCI 2010
- ERIDOB 2010

This electronic newsletter is a service to the members of ESERA provided by the ESERA Executive.

Earlier issues of this newsletter can be found on the ESERA Website. The deadline for messages to be included in the next issue of this newsletter is March 15, 2010.

New PhDs

The following abstracts of recently completed PhDs have been added to the ESERA Website. Congratulations to:

- Mustafa Serdar Köksal – [The effect of explicit embedded reflective instruction on nature of science understandings, scientific literacy levels and achievement on cell unit](#)
- Hedda Falk – [Characterizing and scaffolding the enactment of adapted primary literature based high-school curricula](#)
- Rachel Cohen – [Examining the practical aspects of implementing the living cell topic as a longitudinal axis in junior-high schools](#)

Job advertisements

- Research fellow in Science Education, Graduate School of Education, University of Exeter, UK.
- Professor in Science Education, Karlstad University, Sweden.

Reminder: If you are looking for a (new) job, you are advised to check the News Section of the ESERA Website regularly.

Publications

The report *Assessing Ethics in Secondary Science Education* has been published by the Nuffield Foundation.

Obituary

With great sadness, we let you know that Dr. Nicola V. Mittelsten Scheid has passed away following a tragic tram accident in Germany.

Emergent Science Conference

A two-day conference for science practitioners working with children from birth to 8 years of age. Venue: Bishop Grosseteste University College Lincoln, UK. Dates: July 8-9, 2010.

European Learning Styles Information Network (ELSIN) Conference

Theme: Exploring styles to enhance learning and teaching in diverse
